Course #1 – Planning For Your Future

Retirement is something that we are all going to face. It's better to start sooner, rather than later. The Unifor Planning for your Future course covers all the topics you need to think about to prepare for the next phase of your life. A Service Canada representative provides and interactive presentation on the Canada Pension Plan and Old Age Security. There is a section on legal planning and a local community credit union representative offers basic financial information to assist with your retirement plan.

Family members are welcome to attend this seminar

Space is limited - once you have phoned in your request, you'll be REGISTERED should your course be full or cancelled we will contact you, otherwise PLEASE show up!

NO LOST TIME WILL BE PAID
