FCA 2020 Bargaining Updates

WE ARE NEXT!!

Today our National President, Jerry Dias, announced that Ford Motor Company has reached a tentative agreement with Unifor. The details of this tentative agreement will be shared with the Ford membership first. Their ratification meeting will be taking place this upcoming weekend.

Jerry announced that FCA is up next. Your Master and Local Bargaining Committees are determined to achieve a Collective Agreement that reflects the demands and needs of our members. As of this writing, your Master Bargaining Committees will be heading back to Toronto on Monday, September 28th, 2020. The Local Committees have and will continue, to bargain all local in-plant issues aiming to close all outstanding demands.

Simply Voting has informed us that there will only be one way to receive your voting credentials and that is through email. It is imperative for our members to be able to vote in our upcoming ratification. We ask again, that everyone please log onto the Local 1285 website to be assigned an email address. Also, if you have not already done so please provide a secondary personal email through the website to ensure you receive your voting credentials from Simply Voting in order to vote at the time of ratification.

We will update everyone as the process continues and the only place to get your up-to-date information is on the Local 1285 website, www.uniforlocal1285.ca or the Unifor National website, www.unifor.org.

In Solidarity,

Unifor Local 1285
