

Instructions to Create Your UNIFOR Local 1285 Member Login

1. Go to the local website at www.uniforlocal1285.ca in your browser.
2. Click on the member login block. (The UNIFOR shield)
3. Your login is your firstname.lastname@uniforlocal1285.ca. Substitute your actual first name (i.e. Johnathan instead of John if that is what the Company has your name as) and last name.
4. Your password for the first-time login is your postal code - ALL CAPS, no spaces. This is a new website and if you have set up an account before the update, you will need to do so again with the postal code as your password. If you changed your address recently and have not updated it, you may need to use an old postal code. If you have troubles logging in, you can call, or email technical support and they will assist you.
5. Once you have logged in, click the member section in the upper right corner. Click on my account and verify your personal information is correct.
6. Enter your personal active email for verification purposes and change your password. Don't worry, we will not inundate your inboxes. Your personal email will be used to help us know it's you.

You are all set!! You can now download the Unifor 1285 APP in Google Play or the Apple App Store or scan the barcode below. Sign in will be using your new member login email – firstname.lastname@uniforlocal1285.ca and your new password. If you have trouble at any time you can call the Support Line at 647-776-0950 or email web@unionstrategiesinc.com.
